NAZIS FORCED TO RETREAT AT STALINGRAD

Russians Stage A Dramatic Rally To Save Steel City

By ROGER D. GREENE

Associated Press War Editor

Adolf Hitler's siege armies, twice hurled back in bloody street fighting, were reported hastily erecting defenses in the northwest outskirts of Stalingrad today as the Russians seized the initiative in a dramatic eleventh-hour rally.

Dispatches said the Red army defenders were backed down tree-lined avenues to cliffs overlooking the Volga waterfront at one time.

Then, with the bluffs behind them and Nazi tanks in front, the Soviets struck back in a supreme effort to save the big steel city and forced the invaders to retreat.

Significantly, Hitler's field headquarters made only the broad general claim that Nazi troops had scored "further successes" in the battle for Stalingrad and again emphasized the "embittered" nature of the fighting.

There was no repetition of previous Berlin claims that German troops were thrusting deeper into the city's streets.

Advices from Moscow said Russian tanks and infantry had gone over to the offensive in two neighboring sectors of the Stalingrad front on orders from Premier Stalin's high command, and Tass, the official Soviet news agency, reported that thousands of fresh Siberian troops were now moving into the 25-day-old battle.

The bodies of hundreds of German dead and the hulls of burned-out Nazi tanks littered the streets, dispatches said, as the Russians obeyed Stalin's order and swept the Nazi tide back to the north.

While Berlin remained silent on a previously trumpeted "special announcement from Hitler's headquarters," which failed to materialize on schedule last night, the Soviet command announced at mid-day:

"On the northwest outskirts of Stalingrad, our troops repulsed enemy tank and infantry thrusts. Artillerymen destroyed 12 German tanks and wiped out two infantry companies.

"In another sector, two battalions of enemy infantry broke into one of the streets of the city but were met with concentrated machine-gun and automatic rifle fire.

"In hand-to-hand fighting which followed, the Germans were routed and forced to retreat, losing about 500 killed and wounded."

Bad Weather Retards RAF

London, Sept. 18. (P)—While the weather shielded Germany proper from air attack last night, planes of the RAF's coastal command bombed docks at Bordeaux, German-held port and submarine base of southern France on the Bay of Biscay.

Preceding the assault Beaufighters of the same command, on patrol over the Bay of Biscay yesterday, destroyed three enemy bombers and lost one of their own number, the air ministry's communiqué said.

Considerable damage and some casualties were reported from Britain's own coast when at least four Nazi planes strafed a southwest port with bombs and machine-gun fire on a day-light sweep.

British anti-aircraft guns downed one enemy fighter of the coast in the same region during the morning and home guardsmen captured four German airmen who bailed out of a bomber destroyed over Britain during the night.

Southeastern Europe was kept in a high state of jitters during the night by an air raid scare in Sofia and by reports that mysterious balloons laden with explosives were drifting over Hungary.

WAR BULLETINS

London, Sept. 18. (P)—The German radio broadcast a DNB dispatch today announcing that Maj. Gen. Albert Buck, commander of a German infantry division and holder of the Knights Cross of the Iron Cross, Germany's highest military decoration, had been killed in the Novo-Rossisk area of the western Caucasus.

Havana, Sept. 18. (P)—Two men were killed and two wounded last night when shots were fired from a passing automobile at members of a political youth organization walking along a street, police reported today. They said the shooting probably resulted from a political quarrel.

New York, Sept. 18. (P)—The return of Myron C. Taylor to the Vatican to resume his post as President Roosevelt's personal envoy stirred speculation today in world capitals—Berlin particularly—over the significance of the move at this time.

Berlin (From German Broadcasts), Sept. 18. (P)—The Berlin radio reported an official announcement in Tokyo today that Japanese planes had made a heavy air raid on Darwin, Australian north coast port.

Rome (From Italian Broadcasts), Sept. 18. (P)—Italian "stormboats" (presumably the swift, one-man, torpedo-carrying Mezzi boats which have been used before against Gibraltar) have penetrated the roadstead at Gibraltar in a new attack, sinking a steamer and damaging four other Allied vessels seriously, the high command said today.

Her Life Hangs On a Needle

(NEA Telephoto)

Baby Eleanor Hughes, 3, unflinchingly faces a miracle operation in Pittsburgh for removal of a darning needle that became imbedded in her heart when she fell while playing at home. Nurse Caroline Freyer comforts the tiny patient awaiting the delicate surgical feat.

Pittsburgh, Sept. 18. (P)—Leaving aside her long-eared toy bunny, three-year-old Eleanor Hughes underwent an uncommon and delicate operation today for removal of a needle penetrating the muscle of her heart. The needle was accidentally driven full-length into her chest while she was playing at her home Sunday. Little Eleanor, with long hair, round cheeks and big brown eyes, didn't know a physician reported her condition was "very grave." Neither did her widowed mother. And Eleanor didn't know her mother has been a hospital patient since Sept. 1.

Titusville Girl Takes Own Life When Her Boy Friend Dies

Titusville, Sept. 18—(P)—June Lowing, 20, fatally shot herself near the historic Drake oil well Thursday after learning that her boy friend died from injuries received in a traffic accident. Deputy Coroner C. M. Sonne reported.

Clifford Schmidt, 22-year-old man, had suffered a broken

back in the accident Sunday. His condition was slightly improved when Miss Lowing, a clerk and honor graduate of Titusville high school in 1940, visited him in the morning at Titusville hospital.

Shortly after she left, he became worse and died. Miss Lowing, returning to the hospital, was told of his death. Rushing out, she drove to the vicinity of the Drake Well—world's first oil well. Taking a revolver from the glove compartment of the car, she shot herself in the chest, the bullet piercing her heart, Dr. Sonne said.

Miss Lowing was still alive when found but died a few minutes after being brought to the hospital.

Dr. Sonne said she had taken her life because of "shock over the death of her boy friend," who was her high school classmate.

Her survivors include a brother, Richard, of Philadelphia.

The 1940 production of motor fuel in the United States amounted to 26,000,000,000 gallons.

Farmers planning to purchase fertilizer and superphosphate through the AAA Program should not wait for a visit from their farmer-committee man but should visit the county office and place their orders immediately, according to Mr. W. L. Armitage, Chairman of the Warren County Agricultural Conservation Committee. Because of a shortage of potash, distribution through the AAA channels will not be made next spring of 10-14-14 fertilizer, and the scarcity of nitrogen may result also in a severe shortage of complete fertilizer, Mr. Armitage has advised.

"SLOW SPEED AHEAD"

Everything points to the fact that before many days there will be state and national rules limiting the speed of motor vehicles to thirty-five miles an hour. Yesterday at Harrisburg, Governor James announced that he intended to find some way to enforce such a regulation, first suggested by President Roosevelt.

"Slow speed ahead" should be the new national slogan for motor vehicle drivers.

Complete reversal of driving trend in recent years now is essential in the nation's interest, officials of one of the leading automobile clubs say in a statement strongly urging motorists to heed the advice of the Baruch committee and conserve rubber by cutting down speed.

While a top speed of thirty-five miles per hour is a lot slower than motorists have been accustomed to driving, the club feels that the saving in rubber is more important than reaching one's destination a few minutes earlier at forty-five or fifty miles per hour.

This should be considered a self-policing job. We ought not to wait for a policeman to tell us to slow down. Neither should we bring the technicality of permissible speeds under state laws. National and self interest both will be served by "Slow speed ahead!"

Governor James should have the whole-hearted cooperation of every motorist in his decision to help conserve tires and gas by limiting speed to thirty-five miles per hour.

Let's slow down!

"TWO TICKETS AND A BOND!"

Do you remember 'way back when the movie house was a little, ill-smelling, uncomfortable nickelodeon that you slipped into rather sheepishly to see "The Great Train Robbery?"

In those days, the "flicker theatre" was on the very fringe even of the amusement world. It was a passing fad, an outcast with little standing in the community. The financial rating of the establishment was nil. All its business was C. O. D. or cash-in-advance.

Those thoughts came to mind when the writer stood in the lobby of one of Warren's beautiful, modern cinema palaces and watched—of all things!—men and women buying, not movie show tickets, but U. S. Treasury War Bonds! The scene was exactly the same as that nearby at the granite-lined bank or the austere post office.

A strange paradox—the idea of raising the movie theatre to the stature of a bank or post office in the setup of financing the war! And a far cry from those old days of the movies' infancy.

Some 5,000 theatres in the country, including the Library and Columbia, have been made official bond issuing agents by the Treasury—so that they may sell bonds and make immediate delivery. Some 10,000 others are selling stamps and taking bond pledges. They all expect to sell around \$75,000,000 worth of war securities in September—during which month the moving picture industry is the spearhead of the Treasury Department's billion dollar campaign. So—when you say "two, please," also add: "And a \$25 bond!"

Keep in mind, there's a surprise test blackout coming any night now. Don't leave lights burning if you expect to be away from home after dark, unless you want a visit from an air raid warden.

Charley Cannon would be glad to welcome a large group of men at the State Armory this evening when he will accept enlistments in the new Home Defense Auxiliary Corps.

Warren folks who visited there yesterday say that Youngsville is having a bang-up community fair. Better go down tonight or tomorrow.

Number of Warren pastors will be welcomed back to local charges Sunday. Good time to resume your church activities.

When any of the fruit that mother cans ferments, it's an awful jar.

WASHINGTON IN WARTIME

By JOHN GROVER
(For Jack Stinnett, On Vacation)

WASHINGTON—Breakdown of national crime statistics by the FBI shows that American gals are stepping right in to pinch-hit for their brothers in the law-breaking business.

The records show that during the first six months of 1942, 10.2 per cent of all offenders arrested were women, an increase over 1941, when 9.1 of those arrested were females. (The FBI says, however, that the apparent increase may be due to better statistical reporting of female crime by co-operating agencies.)

MURDER was a favorite pastime in the southern part of the United States. The east south central states reported 3.65 murders per 100,000 population for the highest homicide rate in the country. New Englanders were the least lethal, the murder rate being only 0.59 per 100,000.

The same east south central states had the worst robbery index, with 44.4 per 100,000, and the New England group again was the purest, with 6.1 robberies in 100,000 population.

Broadly speaking, the survey also showed that crime was most prevalent in those sectors having the lowest numbers of police officers. The east south central states having 1.26 police officers per 1,000 second lowest in the country, had the highest crime rates generally. New England, on the other hand, had the best crime record, and reported two officers for each 1,000 people, second highest in the nation.

Over the whole country, the

score of arrests showed criminals were arrested for 27.7 per cent of the crimes reported.

Larceny and automobile theft were the "safest" crimes, from the standpoint of the criminal. Arrests were made in 24.4 per cent of the auto theft cases and 22.7 per cent of the larcenies. Murder was the toughest rap to beat, with 88.1 per cent of the murderers arrested.

The same high percentage held in 1941, when 9.6 per cent of the killers were caught, and in 1940, where 76.2 per cent of the offenders were jailed.

Dog Show To Open Fair At Youngsville

Salvos of Pedigreed Barks To Mingle With Music of Band When Gates Go Ajar

HORSE SHOW FRIDAY

Youngsville, Sept. 17—Chairmen of some of the departments were on the fair grounds Wednesday working to get all in readiness for their exhibits. There are many fine exhibits to be seen.

Especial efforts have been used to secure flowers. The Brokenstraw Garden Club has as the feature of their club a miniature Brokenstraw creek winding down the valley with a bridge and flower-covered bank. Dahlias are particularly attractive.

The household arts as needle craft, clothing, hand craft, canned and baked goods should be noticed by the visitors. Cattle, horses, rabbits and poultry are to be seen. Fruit, vegetables and field crops. The shop exhibit includes hand-work made by pupils in both junior and high school ages. Rural schools are exhibiting.

The Grange exhibits represent much time and effort by the members. Special Thursday features are the band concert at 7 p.m. by the Youngsville high school band under the direction of Supervisor of School Music Byron Swanson. There will be a tag day Saturday for the local band with the idea of getting help for their new uniform fund.

The Youngsville dog show has been growing by leaps and bounds in the past few years, with last year's show equaling many of the larger shows throughout the country. This is the only dog show held in this vicinity, and for that reason the many fine thoroughbreds of this section are shown at the Youngsville show.

William Warr of Warren, will be judge this year. Mr. Warr is one of the county's best authorities on dogs, having raised and bred dogs for many years.

Despite rumors to the contrary, the committee in charge of the horse show announces that, from the entries received to date, there will be more horses on exhibition this year than in any of the twelve years that the show has been held. Entries have been received from practically all the stables in northwestern Pennsylvania, including Union City, Corry, Jamestown, N. Y., Tionesta, Bradford and Warren, as well as Youngsville.

The show, opening Friday night at 7 o'clock, will include local classes for horses owned in the immediate vicinity, with special emphasis on western horses with all the trimmings and looking much like a western rodeo. Continuing on Saturday afternoon and evening, there will be ladies' saddle horse classes, three-gaited horse classes, as well as several classes for driving horses.

Dick Lavery, of Erie, Pennsylvania, a veteran horseman and one known to most people in this section as a competent and outstanding judge of horse flesh, will officiate as judge in the various saddle horse classes, and Walter

Charlotte Safford gave a reading, piano solo by Norma Holt; vocal duet, Margery and Margaret Ramsdell; a playette by the following seniors: Constance Roberts, Lorna Ramsdell, Irene Wargo, Lorna Wall, Joan White, Betty Cole. The president appointed his various committees for the year.

Mrs. Edwin Branstrom entertained at a dinner at her home on Sunday, honoring her aunt and uncle, Mr. and Mrs. Oscar Branstrom, of Akeley, whose 40th wedding anniversary occurred on that day. Covers were laid for eleven. Other guests were Miss Doris Daum, of Warren, Mr. and Mrs. Richard Erns, E. E. Erns.

Elmer Schobey, of Warren, Jamestown road, is in the Jamestown W. C. A. hospital, where he is a pneumonia victim.

Miss Jean Darling entertained at a farewell party at the Darling cottage on the Conewango creek honoring James Chilli, of Jamestown, who has enlisted in the tank corps in the U. S. Army, and will leave the 18th of the month. Guests were present from Jamestown, Warren and Russell.

At last night's meeting of the Allen Class of the First Methodist church, held in Dunham parlor, and presided over by the new president, Mrs. H. L. Blair, an interesting talk on civilian defense was given by C. H. Springer, of the Bell Telephone Company here.

Mr. Springer showed a sound movie, "Air Raid Warning," dealing with defense helpers who are aiding in the war effort as air raid plane spotters also impressed upon his audience the importance of keeping telephone lines clear during and after air raid warnings. He was presented by Mrs. T. E. Colley, program chairman for the evening.

Miss Pearl Lund conducted devotions and at the suggestion of Mrs. O. C. Tritt, chairman of the social welfare committee, members voted to fill Red Cross kits for soldiers. Programs were distributed outlining the year's activities. Besides Mrs. Blair, club officers for the new season are Mrs. N. D. Paterson, vice president; Mrs. P. W. Yagge, secretary; Mrs. Donald C. Smith, treasurer.

To conclude the evening, refreshments, carried out in patriotic colors, were served by Mrs. M. P. Johnson, and the following committee: Mrs. Karl Nichols, Mrs. Raymond Johnson, Mrs. Willard Gibson, Mrs. N. P. Wendelboe, Mrs. Earle Flohr, Miss Florence Lund, Mrs. Allan Koeblie and Mrs. Jennie Smith.

Colorado was a flat, level plain at one time.

YOUR GUIDE FOR OVERSEAS MAIL--- REMEMBER THAT DEADLINE: NOV. 1

Wide World Features
Washington—Here are the Post Office Department's recommendations for Christmas mail to service men outside the United States:

1. Parcels, letters and cards should be mailed between Oct. 1 and Nov. 1—the sooner the better, regardless of where you live or where the article is going. Delivery cannot be guaranteed if it is postmarked after Nov. 1.

2. Gift packages should be marked, "Christmas Parcel."

3. Parcels should not exceed 11

pounds in weight or 18 inches in length or 42 inches in length and girth combined. If possible, hold them to six pounds and the size of a shoebox.

4. Don't send food (except hard candies) or clothing. Service men have plenty of both. Don't send anything inflammable like matches or lighter fluid. Don't send insecticides.

5. Wrap packages substantially but fix them so they may be easily opened for censorship inspection. Be sure that smaller packages

inside the big package, are lightly packed.

6. Postage must be fully prepaid. Consult your post office for Parcel Post rates. Better insure packages.

7. Such messages as "Merry Christmas," "Do Not Open Until Christmas," etc., are permitted if they do not interfere with the address.

8. Don't send cash gifts. Use money orders. Some countries have a law against importing foreign money, but money orders may be cashed anywhere.

9. Wrap packages substantially but fix them so they may be easily opened for censorship inspection. Be sure that smaller packages

SHE LETS IT BE GAY—Bright wrappings add to the charm of a gift.

LAST STEP—Properly wrapped and addressed, it'll arrive on time.

Miss SANTA—She chooses her soldier's gift with utility, weight, in mind.

Maxine Baker Bride In Bradford Church

At ten o'clock Thursday morning in the rectory of St. Bernard's church in Bradford, Father Frederick Riley united in marriage Miss Maxine Baker, of North Warren, daughter of A. P. Baker, of Kane, and William E. Cole, of Cleveland, O., son of Dr. and Mrs. G. P. Cole, of Monongahela. Attendants were Miss Dorothy Baker, of Bradford, sister of the bride, and H. Dale Cole, of Monongahela, brother of the bridegroom.

The bride wore a beige wool and brown velvet frock with brown accessories and a corsage of yellow roses. Her sister wore a green wool dress, black accessories and corsage of yellow baby mums.

After the ceremony a wedding breakfast was served for the guests at the Emery Hotel. Out of town guests were from Catonville, Md.; Masontown, Monongahela City, DuBois, Warren and Kane.

Mr. and Mrs. Cole left for an extended wedding trip through the Adirondacks and upon their return will reside in Cleveland. She was graduated from Kane High School and the Mercy School of Nursing in Pittsburgh and had been the staff at the Warren State Hospital. Mr. Cole, alumnus of Monongahela High School, is employed as procurement inspector in the Army Air Forces.

Battle for Stalingrad: Artist's Conception of Heroic Fight

Power and drama of the fight for Stalingrad is caught in this conception of the battle by NEA Artist Harry Griswold. As German troops and tanks pounded at the gates of the city with three-to-one superiority, Russian soldiers and civilians fought side by side in a desperate effort to hold the Volga industrial center. Overhead, hundreds of Nazi dive bombers blasted endlessly at Soviet trenches and gun bunkers.

TIMES TOPICS

WILL ATTEND SHOW
More than 700 employees of the Dresser Manufacturing Company will have a chance to see some of their war work go into action Saturday when they attend the U. S. army war show in Cleveland. They will travel to Cleveland by special train, through arrangements with the office of defense transportation and the war department.

PLANNING FOR CROWD
Committees arranging for the Field Day to be held at the Kalbfuss Rod and Gun Club Sunday have all arrangements completed for the handling of a large crowd. The general public is invited to attend and take part in the events. There will be no admission charged for entering the grounds and the parking space. A program of trap, rifle, both large and small bore, and revolver shooting will be held. Refreshments will be served and in event of rain the program will be carried out indoors.

The first Lewis machine gun mounted on World War I planes was fed by circular drums containing only 47 rounds of ammunition. At that time it was necessary to land to change the magazine.

John W. Jones, son of Mr. and Mrs. John H. Jones, who enlisted in the navy at the local office is now located at Newport, R. I., where he will receive his basic training.

Cpl. Kenneth Taft, stationed at Camp Edwards, Mass., is home on 10-day furlough with his parents, Mr. and Mrs. Harry Taft, 20 Swiss street.

Mrs. Forest Curtis has received word from her husband, P. F. C. Forest Curtis, that he has been transferred from Livingston, La., to Leesville, Va.

It was incorrectly stated in last night's issue that Cpl. James Scalise has been assigned to temporary duty in the War Department. The Times-Mirror has been asked to announce that it is Cpl. Joseph Scalise, instead.

Harry Jones, of Warren, who has been employed in the office of Auditor General F. Clair Ross at Harrisburg for the past several years, was inducted into the army Thursday at New Cumberland. Mr. Jones will be transferred to an officers' training school where he will be given a course of instruction to qualify him for a commission in the signal corps.

Chester Malec, son of Mr. and Mrs. George Malec, Irvine, is now stationed at the Brooklyn, N. Y., Naval Station, according to word received here.

Word has been received here that Durand David, son of Mr. and Mrs. A. D. David, Liberty street, has entered officers' training school at Edgewood Arsenal, Edgewood, Md. He was just recently transferred there from Texas.

Mr. and Mrs. A. J. McDonald, 11 Bradley street, have had word from the war department of the safe arrival overseas of their son, Tech. Sgt. Robert Murray McDonald.

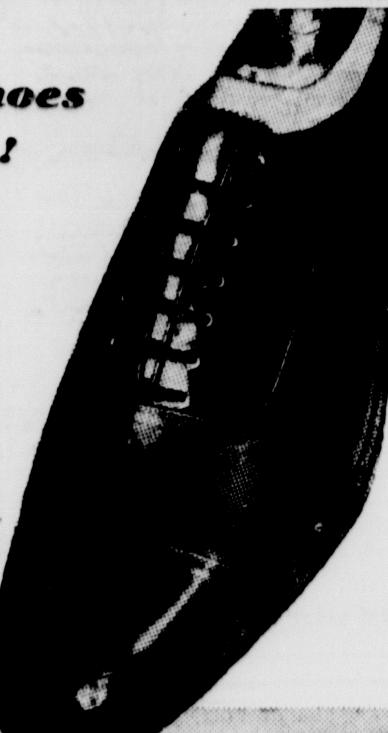

Mrs. Anna Waples, 103 Canton street, has received word of the arrival of her son, James, in England.

Mrs. Raymond Tripp and Mrs. William Gray attended the funeral of Mr. Bush, held in Tiomesa on Tuesday. He is the father of Mrs. Merle Sandrock, a former Garland resident. Sympathy is extended to the family from Garland friends.

The Darling family entertained Howard Rhoades, who leaves soon for the army. He was also entertained in the Garland Inn.

The young people of the community also gave Homer Black a good-bye party.

BANK SHOTS

BY FLOYD PASSINGER, Sports Editor

Cleanin' up the desk . . . Warren and Kane meet tomorrow afternoon at Kane, and while there won't be the usual large following from this city on hand at the contest due to tire rationing, the Dragons are confident they'll return with a good account of themselves—and a victory . . . Over the past five years, the local schoolboy gridiron have one of the most impressive records in the area in the way of few injuries . . . So far this year no serious hurts have been realized, nor have there been any for many a season . . . This is not just good fortune . . . Proper equipment, training, play and the practice of a little extra care go into compiling such a record . . . May the Blue and White elevens continue this enviable feat . . . Youngsville High school has reason to yell at Otto Township now . . . Last year Benton Kribbs' crew claimed and undefeated, untied campaign . . . But they didn't play Youngsville as scheduled; instead, they cancelled . . . This season, with first and second string men from last fall gone in huge numbers, Otto Township again will not play Youngsville for again they have called off the game . . . Youngsville officials don't begrudge a team a fine record, if they play each game they book for a season . . . This little item is Youngsville's claim, understand, not ours . . . Sheffield High's 46-0 slashing handed Watertown last week may result in some area gridasters second guessing about the Wolverines . . . Horace Zahn, acer-pur-buster, is this year's Maplehurst Goliath club champion . . . He claimed the honors the past weekend . . . Jamestown Art Metal recently toppled the National Forge golf team 12-6 over the Chautauqua Country Club course . . . Johnny Pawk, Bobby Williams, Fred Jaffin and F. Nicklas accounted for the Forge points . . .

Joe Gardner will stage a little pow-wow for the State Hospital baseball team Sunday at his camp near Hemlock, and those who have attended before wouldn't miss scoring on the type of plate "Curly-top" will put in front of them . . . He annually throws a strike in the banquet circuit . . . Speaking of strikes, we've attempted to toss one for every bowling league opening this week, and now we've gotta go and "blow" . . . Bowling should reach a new peak this year though . . . Off hand we can name nearly 20 leagues that will be operating in the community . . . That takes in a lot of bowlers, pals . . . Myron Jewell, veteran first baseman in this area since way back when, is recuperating from his appendicitis operation at his home now . . . He changed address from the Warren General Hospital today . . . It is expected that beginning Monday, the Penn Bowling Center will be open afternoons with Pete Juliano to again instruct new keglers on certain days . . . Official word is still forthcoming from the alley management, however . . . Alumni have already hit us for a plug to renew the rivalry between WHS grads and the current team . . . There was no game last year . . . The graduates hope they may be able to borrow "Red Jacket" equipment for that single game, when, as if it is booked . . . With the Dragons closing their season early it's not a bad idea this autumn . . . And finally, we've come to the end of the line . . . Monday we'll be officially gone, but remember, we'll be seeing you, from "Times" to "Times."

BY SID FEDER
Associated Press Sports Writer

Well, children, it looks like you can patch up what's left of the tires on the family bus and head for old St. Loo for your World Series fun, and from what's been going on here lately it is no longer so much the Cardinals winning as the Dodgers losing the National League flag.

For, if ever a club looked like it had folded up, the Dodgers iron flatbush did just that yesterday in dropping a 3-2 decision to the Pittsburgh Pirates for their sixth setback in seven games.

The first split match seen since the league bowling season got under way Tuesday night resulted when Times Square dropped their third game against Oscar's Restaurant by 101 pins and lost out on the total pin point as a result.

Best individual game was Louis Vesco's 204, while Smith cracked out 550 for high individual total in pacing the Bradford Penns to victory. Vesco was shooting for the ninth.

The Ladies League opens tonight, the City League Monday evening, both to start at 8:30 o'clock, and they will round out the loop program at the P. B. C.

Last night's team scores:
